INSTRUCTIONS FOR CERTIFICATION BY GRADE TRANSFER

If you have successfully completed the CPA exam in another jurisdiction but have not been licensed as a CPA, use this form to apply for an Idaho CPA license.

The following is required:

Completed Application form with photo attached.

Interstate Exchange of Examination Scores and/or Licensure Information: Applicants must request an Interstate Exchange of Information from all State Boards where they have made application for the exam. If you have applied for a license in another jurisdiction but the license has not been granted, you must also send the form to that jurisdiction. Complete the top portion of the "Interstate Exchange of Information" form and forward it to the necessary State Boards (you may wish to contact the State Board to see if they charge a fee to complete this form). Scores may be accepted by the Board in lieu of examination in this state on the same subjects, provided the state where the candidate received the examination credit has standards at least equivalent to those of this state, and provided that such credit was received in accordance with the requirements of the Idaho State Board of Accountancy.

Criminal History Records Check Request: Applicants must sign, and submit with their application, the "State of Idaho Bureau of Criminal Identification Consent Release/Indemnification" statement. Do not send payment for this, it is included with the application fee.

Fees: Enclose fees with your application: \$175 Application Fee; \$120 Active License; and \$20 for a Wall Certificate (optional) [Fees are non-refundable](#). DO NOT send the payment for the criminal background check, it is included with your application fee.

Transcripts: The applicant is required to furnish official college or university transcripts as evidence that the educational requirements have been met. Transcripts must be sent directly from the educational institution to the Board office. Official transcripts must contain the signature of the registrar or some official representative of the institution and must show the institution's seal. Foreign transcripts will require a formal evaluation.

Experience: Verification of completion of the experience requirement must be submitted on the form provided with this application. The form requires the notarized signature of a CPA verifying the experience. The verification must show beginning and ending dates of employment and must contain a description of the applicant's duties and responsibilities.

Professional Ethics Examination: All applicants must successfully complete an examination in professional ethics. Applicants must take the professional development course, "**Professional Ethics: The AICPA's Comprehensive Course**" which is a home-study course available from the AICPA. It is the applicant's responsibility to have the ethics score sent to the Board office.

All applications and required documents become the property of the Board. If the space provided is insufficient to answer any questions, attach additional sheets. False or misleading statements shall be considered a basis for refusal to grant certification and licensure to the applicant. It shall be the duty of the applicant to familiarize himself/herself with the provisions of the Idaho Accountancy Act and Rules, which are available on the Board's web site or by contacting the Board office. It is the applicant's responsibility to notify the Board office in writing of any address changes.

The annual license period is July 1st through June 30th. Idaho does not pro-rate license fees. Your license application will be processed as soon as it's received. Renewal fees are due by July 1st.

General Information:

Idaho law does not require a person to give consent. However, without a signed release from the subject of record, any arrest more than 12 months old, without a disposition, cannot be given to a non-criminal justice agency. **Results of a Name Based Criminal Background check cannot be notarized.**

Criminal history record information furnished as a result of a non-fingerprint based computerized search is based solely on a search of identifiers provided in the request. Be aware it is not uncommon for criminal offenders to use alias names and false dates of birth, which would adversely affect the completeness and accuracy of a non-fingerprint based search of the Idaho Central Repository of Criminal History Records. No other state or federal agency records can be searched under current law. The bureau does not telephone or fax responses. Please allow ample time for processing this request. Requests are processed on a first come basis.

The records maintained by the Idaho Bureau of Criminal Identification (BCI) are based upon the felony and serious misdemeanor arrests reported to BCI from other Idaho criminal justice agencies. If a person disputes the accuracy of information obtained, that person may challenge the information by writing to the address on this form.

Idaho code 67-3008 (6) states, "A person or private agency or public agency, other than the department, shall not disseminate criminal history record information obtained from the department to a person or agency that is not a criminal justice agency or court without a signed release of the subject of record unless otherwise provided by law.
